MEMORANDUM FOR THE RECORD

SUBJECT: Allen Dulles Estate Records

1. Mrs. Miduch called Mr. Houston on Monday, 7 December. She stated that Mrs. Dulles has received some of her late husband's papers which have been held and reviewed by the Agency. She, according to Mrs. Miduch, has no filing space for them. She indicated that her next work day at the Dulles residence will be on Monday, 14 December.

2. I called her to advise that we can deliver a filing cabinet to the Dulles residence today. It was agreed that we will initially return one of the filing cabinets used for storage of the Dulles papers and then will satisfy the need for further filing space as the papers are returned to Mrs. Dulles. This was completely agreeable with her.

25X1A9a 3. I asked [REDACTED] Chief, A&TS, to determine if for any reason the five filing cabinets, which contain the Dulles papers, could not be returned because of accountability problems. 25X1A9a [REDACTED] advised that he will check with the Office of Logistics, and if no problem was presented, the first of the filing cabinets will be delivered to the Dulles home this date. I was later advised that the delivery has been made.

4. Mrs. Miduch was pleased with the arrangements and appreciative of our handling of her problem.

[REDACTED]
Deputy Director of Security
